

# La vida en quarentena

By Beth

Un dia normal de quarentena a casa dels Tannous...

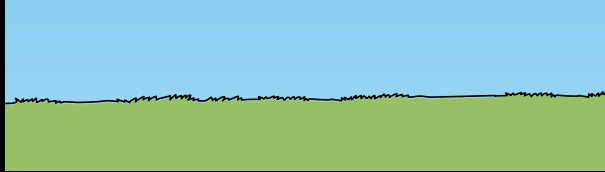

La Carlota no dubta ni un segon i se'n va a l'habitació d'en Fouad.

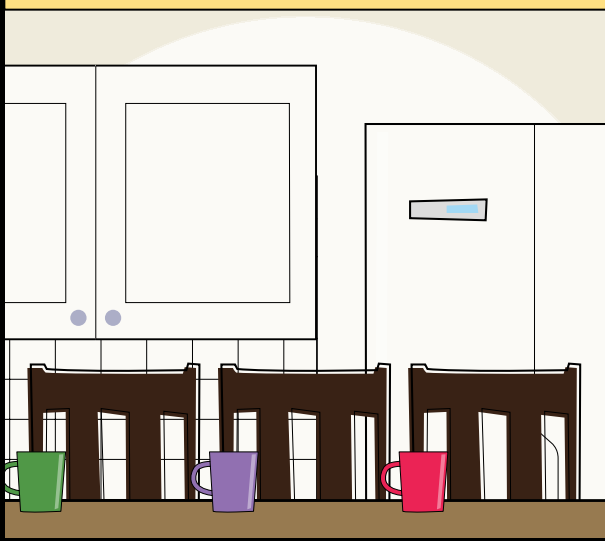

Al dia següent...

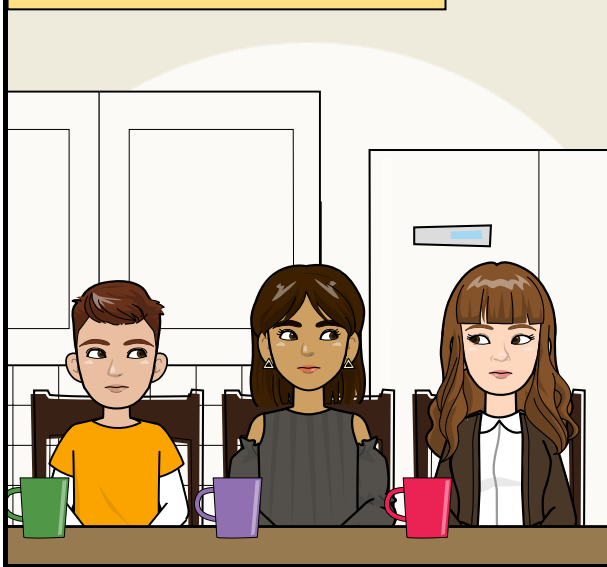

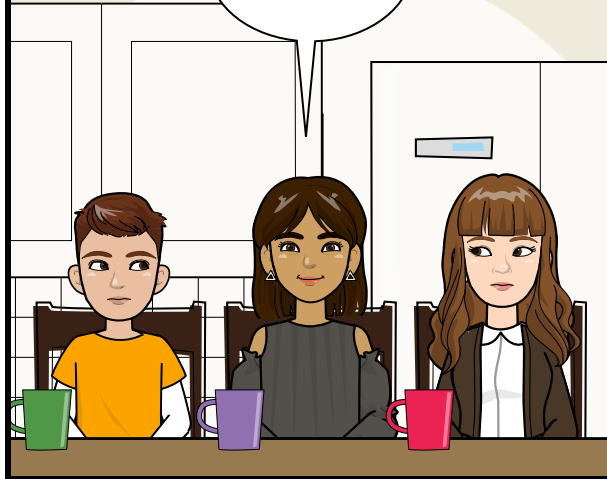

Van acabar esgotats i van anar directes al llit. Al matí següent van decidir anar a visitar a la yaya.

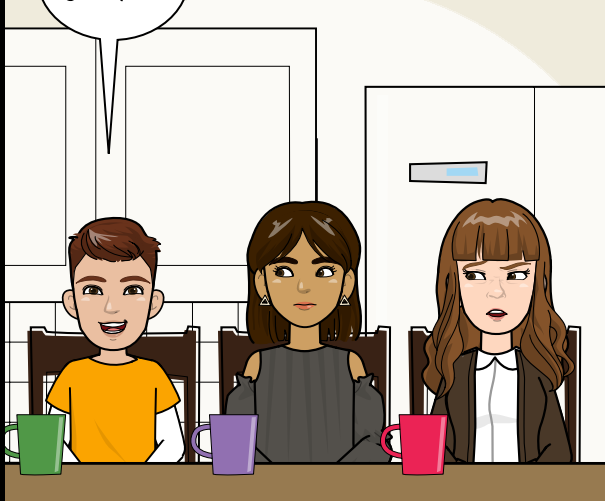

Es passaven el dia fent competicions...

A veure qui s'ho acaba abans!!

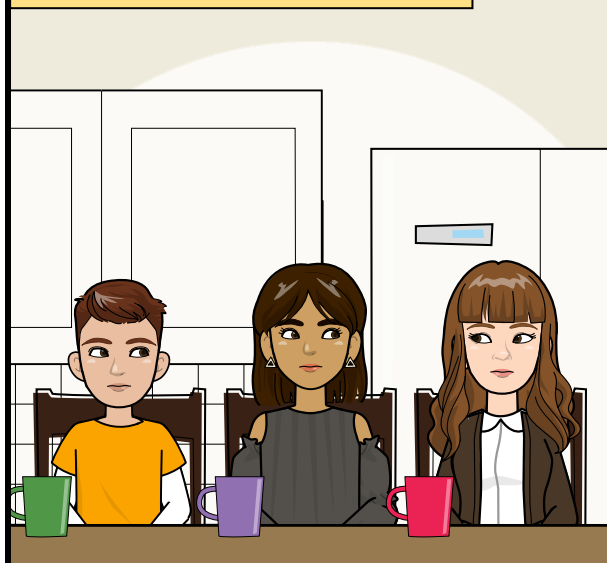

He guanyat!!

Si hombre no es val!!

Nens, hem de maxar... "cridava el Fouad"

Hola àvia!

Hola yaya!!

Hola abuelitaaa!!

Hem de mantenir la distància...

Àvia, Quan acabi tot això ho celebrarem com mai!
